## ADMINISTRATORS' REPORT

On 18 August 2023, the directors of Wellfully Limited (Administrators Appointed) ("Wellfully", or the "Company") appointed Mr Bryan Hughes and Mr Christopher Pattinson as joint and several administrators ("Administrators") of the Company.

On 24 August 2023, the director of Wellfully's wholly owned Australian subsidiaries, International Scientific Pty Ltd (Administrators Appointed) ("International Scientific") and Bodyguard Lifesciences Pty Ltd (Administrators Appointed) ("Bodyguard Lifesciences") appointed Mr Hughes and Mr Pattinson as joint and several administrators of International Scientific and Bodyguard Lifesciences.

Following the appointment of the Administrators, the directors' powers were suspended, and the Administrators assumed control of the Company's business, property and affairs. Accordingly, the Administrators of Wellfully submit this report on the results of the consolidated entity consisting of Wellfully Limited and the entities it controlled ("Group") for the period ended 31 December 2023.

### INCOMPLETE RECORDS

To prepare this report, the Administrators have reconstructed the financial records of the Group using management account information obtained from current and former directors and officers of the Company and announcements posted to the Australian Securities Exchange. Whilst the directors have continued to assist the Administrators throughout the administration and have been provided a copy of the report prior to its publication, they were not responsible for preparation of this report.

Given the Administrators were not in control of the Company for the entirety of the period, there may be information that has not been brought to their attention or they have been unable to obtain where the impact of which may or may not be material to the accounts. Where applicable, the 31 December 2022 comparatives are based on the Group's Interim Financial Report prepared prior to the appointment of the Administrators and whilst the Company was under the control of its directors. The 30 June 2023 comparatives are based on the Company's audited financial report prepared and filed by the Administrators on 28 February 2024.

The consolidated financial statements are presented in Australian dollars, which is Wellfully's functional and presentation currency.

## 1. Basis of preparation of half year report

This general purpose financial statement for the half-year reporting period ended 31 December 2023 has been prepared in accordance with Accounting Standard AASB 134 Interim Financial Reporting and the Corporations Act 2001, as appropriate for for-profit oriented entities. Compliance with AASB 134 ensures compliance with International Financial Reporting Standard IAS 34 'Interim Financial Reporting'.

The interim report does not include all the notes of the type normally included in an annual financial report. Accordingly, this report is to be read in conjunction with the annual report for the year ended 30 June 2023 and any public announcements made by Wellfully during the interim reporting period in accordance with the continuous disclosure requirements of the Corporations Act 2001.

The accounting policies adopted are consistent with those of the previous financial year and corresponding interim reporting period, unless otherwise stated.

### Incomplete records

The management and affairs of the Wellfully have not been under the control of Wellfully's directors since it entered into voluntary administration on 18 August 2023. For the period in which the Company was not in administration, the Administrators did not have oversight or control over the Group's financial reporting systems, including being able to access complete accounting records.

To prepare the financial report, the Administrators have reconstructed the financial records of the Group using data extracted from the Group's accounting systems and the record of receipts and payments during the administration of the Company and relied on information provided by in country management of the subsidiaries for the period from their appointment.

Although due care has been taken in preparing the financial statements, based on the information available, it is not possible to state that the financial information is complete or accurate. Neither is it possible to state that the financial information was subject to the accounting and internal control processes that are relevant to the preparation and fair presentation of the financial reports.

Consequently, although the Administrators have prepared this financial report to the best of their knowledge based on the information made available to them, they are of the opinion that it is not possible to state that this financial report has been prepared in accordance with Australian Accounting Standards including Australian Accounting Interpretations, other authoritative pronouncements of the Australian Accounting Standards Board and the Act, nor is it possible to state this financial report gives a true and fair view of the Group's financial position.

The 31 December 2022 comparatives are based on the Group's Interim Financial Report prepared and filed prior to the appointment of the Administrators and whilst the Company was under the control of the directors. The 30 June 2023 comparatives are based on the Company's audited financial report prepared and filed by the Administrators on 28 February 2024.

Where there has been insufficient information to prepare notes to the accounts, no notes have been provided.

### Going concern

For the period ended 31 December 2023 the Group incurred a net gain of \$205,910, and at 31 December 2023 had net current liabilities of \$2,157,105 and a net liability position of \$1,688,855. The Group also had net cash inflows from operating activities of \$28,490. These conditions indicate a material uncertainty which may cast significant doubt as to whether the Group will continue as a going concern and therefore whether it will realise

1. Basis of preparation of half year report (continued)

Going concern (continued)

its assets and extinguish its liabilities in the normal course of business and at the amounts stated in the financial report.

In early November 2024, an interested party emerged expressing an interest to enter into a transaction with Wellfully. The Potential Transaction contemplates a structure whereby Wellfully will acquire a controlling interest in the interested party, claims of creditors of the Company are acquired, forgiven and/or settled in the administration period and the solvent company is handed back to the board of directors ("Potential Transaction") providing an option for the administration of the Company, Bodyguard Lifesciences and International Scientific (or at least Wellfully) to potentially end and for Wellfully to potentially relist on the Australian Securities Exchange.

Notwithstanding the above, the ability of the consolidated entity to continue as a going concern is dependent on the Potential Transaction completing and the directors securing additional funding through debt or equity. Given the Potential Transaction is incomplete at the date of this report, there is significant uncertainty as to whether the Company will continue as a going concern and settle its claims in accordance with the Potential Transaction to return it to solvency.

The financial report does not include any adjustments relating to the amounts or classification of recorded assets or liabilities that might be necessary if the Group does not continue as a going concern.

**INDEPENDENT AUDITOR'S REVIEW REPORT  
TO THE MEMBERS OF WELLFULLY LIMITED****Report on the Half-Year Financial Report****Conclusion**

We have reviewed the accompanying half-year financial report of Wellfully Limited (the company) and its controlled entities (the consolidated entity or group), which comprises the consolidated statement of financial position as at 31 December 2023, the consolidated statement of comprehensive income, consolidated statement of changes in equity, the consolidated statement of cash flows for the half-year ended on that date, notes comprising a summary of material accounting policies and other explanatory information and the directors' declaration.

Because of the significance of the matter described in the Basis for Disclaimer Conclusion paragraph noted below, we were unable to, and do not express an opinion as to whether the half-year financial report of the company is in accordance with the *Corporations Act 2001*, including:

- i. giving a true and fair view of the consolidated entity's financial position as at 31 December 2023 and of its performance for the half-year ended on that date; and
- ii. complying with Accounting Standard AASB 134: *Interim Financial Reporting* and the *Corporations Regulations 2001*.

**Basis for Disclaimer Conclusion**

We conducted our review in accordance with Auditing Standards on Review Engagements *ASRE 2410: Review of a Financial Report Performed by the Independent Auditor of the Entity*. Our responsibilities are further described in the Auditor's Responsibilities for the Review of the Financial Report section of our report. We are independent of the Company in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001* has been given to the directors of the Company as at the time of this auditor's review report.

As detailed in the Administrators' Report, Mr Christopher Pattinson and Mr Bryan Hughes ("Administrators") were appointed joint and several Administrators of Wellfully Limited on 18 August 2023 and of its Australian subsidiaries International Scientific Pty Ltd and Bodyguard Lifescience's Pty Ltd on 24 August 2023. The Administrators assumed operational and management control of these companies from their date of appointment and remain in control as at the date of this review report.

A significant portion of the Group's operations have been conducted by its subsidiary incorporated in Switzerland (Wellfully SA) and in turn by companies Wellfully SA controls, operating in a number of foreign jurisdictions. As noted in the Administrators' Report: *Incomplete Records*, in preparing the financial report of the Group for the half year ended 31 December 2023 the Administrators have not been able to source all books and records of Wellfully SA and the other foreign subsidiaries.

## INDEPENDENT AUDITOR'S REVIEW REPORT TO THE MEMBERS OF WELLFULLY LIMITED (CONTINUED)

### Basis for Disclaimer Conclusion (continued)

Whilst the books and records of the consolidated Group have otherwise been reconstructed by the Administrators, to the maximum extent possible, we were unable to obtain sufficient appropriate evidence to verify material account balances and amounts disclosed in the consolidated statement of financial position as at 31 December 2023, the consolidated statement of profit or loss and other comprehensive income, consolidated statement of changes in equity and consolidated statement of cash flows for the half year ended on that date. As a result, we were unable to determine whether any adjustments to the amounts recorded in the financial report were necessary.

As stated in Note 1 and in the Administrators' Declaration, the Directors/Administrators are unable to state that the financial report has been prepared in accordance with all the requirements of the *Corporations Act 2001* and the Australian Accounting Standards.

### Material Uncertainty Related to Going Concern

We draw attention to Note 1 – Going Concern in the financial report. These conditions indicate the existence of a material uncertainty which may cast significant doubt about the consolidated entity's ability to continue as a going concern and, therefore the consolidated entity may be unable to realise its assets and discharge its liabilities in the normal course of business and at amounts recorded in the statement of financial position. Our review conclusion is not modified in this regard.

### Responsibility of the Directors for the Half-Year Financial Report

The directors of the Company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards (including Australian Accounting Interpretations) and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that is free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility for the Review of the Financial Report

Our responsibility is to express a conclusion on the financial report based on our review. ASRE 2410 requires us to conclude whether anything has come to our attention that causes us to believe that the financial report is not in accordance with the *Corporations Act 2001* including:

- i. giving a true and fair view of the Company's financial position as at 31 December 2023 and its performance for the half-year ended on that date; and
- ii. complying with Accounting Standard AASB 134: *Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
